Creating communities to support hope and healing

b r e n t e l e y
f o u n d a t i o n

OUR VISION

Making a difference in the lives of children with cancer and their families...one day at a time.

OUR MISSION

To help those living with cancer by providing housing and programs through partnerships in our community.

Dear Friends,

2010 has been another year of significant change for Brent's Place and the Brent Eley Foundation. Last year was highlighted by the completion of our new Aurora facility located one block west of the Anschutz Medical Campus. The new facility has proven to be everything that we hoped it would be, providing us with 16 very functional and efficient apartments for patients and their families. This year has been highlighted by a new Executive Director, **Sean Meyerhoffer**, who replaced Adele Gelfand after 10+ years of leadership. Adele's contribution to our purpose and the Brent's Place community cannot be overstated! Her work ethic and focus on our families were truly extraordinary! Sean comes to us from the American Cancer Society with boundless energy and enthusiasm as well as a new perspective and ideas for our cause. I look forward to working with him and the team he has assembled to deliver our promise to the families that make Brent's Place their temporary home.

The transition and growth at Brent's Place has renewed my focus, as the leader of our Board of Directors, to provide strategic direction for the organization's future. I am privileged to have a very talented and experienced group of 15 directors committed to the outcomes we strive to achieve. Put simply: **"The Brent Eley Foundation and Brent's Place exists so that people with cancer and other diseases causing acute immune system deficiencies and their families receive support through affordable, fully furnished, "Safe-Clean" family housing close to medical institutions while they become well enough to return home, as well as other supporting programs."**

I am pleased to report that the growth of our facilities and our committed staff has enabled us to expand the number of families we have been able to support by 26% from 2009 to 2010. It is humbling to witness the spirit and courage of our kids as they deal with life threatening illness and fight for the miracle of life.

We could not do what we do without the community support this is so generously given. I thank our volunteers and donors for believing in our cause and choosing Brent's Place for their community service and financial support. We hope that you will consider us for a year end donation and we look forward to your continued involvement with our events and programs in 2011.

The Holiday season is a time to give thanks for our many blessings and to share love with family and friends and those that need our help. ***Make 2011 a great year for those you love and the causes you support!***

Sincerely,
Donn Eley
BRENT ELEY FOUNDATION
FOUNDER AND CHAIRMAN OF THE BOARD

This & That . . .

A note from the Executive Director:

2010 has been a year filled with learning and growth for our Brent's Place staff and programs. Throughout the summer and fall we have said farewell to dedicated staff members who gave so much to Brent's Place and our families, and we have welcomed new faces to the team who are eager to add a new level of support for our patients and families. Our new staff team has been quick to acclimate themselves and we have spent the last several months working together with the Board of Directors and our hospital partners to identify opportunities for improvement in 2011. Two things have remained a constant in 2010, however, as we have adjusted to the changes in our staff team.

The first is the increased demand for our services from patients and families in need of a "Safe-Clean" living environment. Beginning in June and continuing into the fall, we have been at or above 90% occupancy at the Aurora facility. Our Family Services Coordinator, **Allen Browning**, and House Operations Manager, **Fabian Jimenez**, have been

busy coordinating incoming and outgoing families, ensuring that we remain safe and accessible for all those who need our assistance. As of November 1st, over 100 families have stayed at Brent's Place in 2010 compared to 87 families in 2009.

The second constant is the generous support that we have continued to receive from throughout our community. I have been amazed with the individuals and organizations that have provided us with their time, talent and financial support in 2010. We thank all of you for helping us provide a home of hope and healing for our families. Our work would not be possible without you. Please continue to spread the word about Brent's Place to friends, family and colleagues who may be looking to make an end of year contribution or are in search of a non-profit to support in 2011. **I hope that you will be spending your holidays in the company of good friends and family!**

Happy Holidays,
Sean Meyerhoffer

Your support is still needed in 2010!

- 1) Make a year-end contribution at www.BrentsPlace.org
- 2) Donate gift cards or gifts for family members
- 3) Help our staff provide special holiday memories for patients and families at Brent's Place

If you would like to learn more, please call us at 720-343-2800, visit our website at www.BrentsPlace.org, or e-mail jbrucker@brentsplace.org or jgart@brentsplace.org.

Staff Update . . .

After 4 years with Brent's Place, we said a fond farewell to **Katie Keating** in November. Having started with Brent's Place as the Capital Campaign Coordinator during planning for the new Aurora building, Katie soon proved to be a valuable member of the team and was promoted to the Development Associate position when the campaign was complete. Katie became the heart and soul, as well as the hands behind Brent's Place events over the last few years. Katie's dedication and commitment to the work of Brent's Place was clear. Her compassion, friendliness and sense of humor will certainly be missed. We wish her the best of luck in her next adventure!

Throughout the summer and early fall we have also welcomed Fabian, Joe and Julie to Brent's Place.

Fabian Jimenez joined us in June as our House Operations Manager. Fabian's broad range of skills make him a great fit as the person who keeps Brent's Place running smoothly and in accordance with our "Safe-Clean" standards. His personal and professional experience make him uniquely suited to ensure that our facilities are safe for our patients while compassionately

supporting our families with the perspective of a father that has walked in their shoes.

Joe Brucker became part of the Brent's Place team in August in the newly created Volunteer and Community Outreach Coordinator position. In his new role, Joe will continue the hard work begun by previous Volunteer Coordinators and expand our grassroots community outreach efforts to engage more people in the Brent's Place community. A Boston University alum, Joe comes to us by way of Minneapolis, where he worked in direct service, volunteer coordination and development positions for the Courage Center. He continues his education in Denver as he seeks to obtain his Masters Degree in Non-Profit Management. Joe's energy and creativity are a welcome addition to our team!

Julie Gart is the newest member of the Brent's Place team. Julie began working with Brent's Place as a volunteer and quickly developed a strong desire to enrich the lives of children and families at Brent's Place. She is excited to continue her work in support of our families as the new Development Manager. Julie is a Colorado native entrenched and dedicated to the community. As a trendsetter in the event industry, she has extensive experience planning both large and small events. In her new position, Julie will work with staff and volunteers to build on the success of our existing events while working to diversify our fundraising efforts and broaden our support network.

Our Families . . .

Family Update: Time really seems to fly at Brent's Place! Over the last few months, our families have enjoyed parties, outings and plenty of wonderful meals! We have a special helper, **Chandra** (5), who loves to help pull the cart and deliver meals on Mondays for families who can't come down for Family Night. Since we have been near or at capacity since July, this has been a great help!

We have had many wonderful parties thanks to the help of **Marissa** and **Maya** who hosted a Pirate Party in September and the Halloween Party in October. **Morgan** (13), **Matthew** (11), **Elise** (11), **Chandra** (5), **Jade** (9) and **Zach** (11) all had a great time decorating beach balls and hunting for buried treasure! Halloween was a ghoulishly good time loaded with tricks, treats, games and prizes. **Garret** (19) had a great time as a convict while **Keegan** (8) showed off his ninja best!

Chandra (5), **Rita** (8), **Nathanial** (2) and **Zane** (4 months) also joined us for a hopping good time with our games, snacks and trick-or-treating.

Brent's Place continues to be blessed with wonderful volunteers and supporters who make our outings possible! Our families had the opportunity to go to the Denver Zoo, The Butterfly Pavilion, The Denver Botanic Garden's Pumpkin Fest, The Westernaires: Horsecapades and Hammonds Candy Factory. **Chandra** (5) was brave enough to touch Rosie, the tarantula, **Danika** (3) really loved seeing all the beautiful butterflies at the Butterfly Pavilion and **Morgan** (13) was a big fan of the free candy we all received on the tour at Hammonds Candy Factory! **Thanks so much to these wonderful companies and organizations for working with us and making these outing safe for our families!**

Current Family Profile: Lexi

Alexis "Lexi" is 7 years old and stayed with Brent's Place with her mom, **Michelle**, for just over a month. She recovered so quickly from her treatment that she was able to go home about a month early! Before she and her family went home, they took the time to sit down and talk about their stay at Brent's Place.

Brent's Place: What brought you to Brent's Place?

Michelle: Lexi had a bone marrow transplant which was recommended by Dr. Cook down in Colorado Springs. The transplant team at Children's recommended that we stay with Brent's Place while Lexi recovered.

Brent's Place: What is Lexi's favorite thing to do?

Michelle: Spending time with her family and printing (writing)

Brent's Place: How has Lexi's treatment affected your life?

Michelle: Lexi's treatment has turned our life upside down and has created a new "normal." Michelle (Mom) had to leave her job and Eric (Dad) has had to take on more hours to make up the difference. Abby and Andy (Lexi's siblings) have had to do more chores and responsibilities.

Brent's Place: What is the best part of staying with Brent's Place?

Michelle: Lexi really likes family nights, playing on the playground, finding games in the resource room, watching cable TV and being able to watch Sponge Bob. (They don't have Sponge Bob at the hospital). Michelle and Eric liked the comforting environment and really appreciated the learning experience of how to keep the apartment safe and clean for Lexi. Abby really liked being able to sleep in the same room as her sister at Brent's Place while Andy liked the roof top deck on the 4th floor and the popcorn machine.

Brent's Place: Do you have anything else to add?

Michelle: We are so thankful that Brent's Place is here and we were able to utilize it. It was so convenient and close to the hospital. The Brent's Place staff are so friendly and helpful.

Former Family Profile: Megan

Brent's Place: How is your child doing?

Melissa: Megan is doing really well! She is doing a full day of school at home with her dad. She is planning on going back to school in March, and she is so excited to get to be back with other kids. She now has beautiful dark ringlet hair. We have a lot to be thankful for this year.

Brent's Place: How did Brent's Place help your family?

Melissa: So glad to have a place like Brent's Place. It made things a lot easier. When you are going through a hard time, it was great to have family meals and to have the fellowship with other families. Staff was always able and willing to help which was great. We definitely had peace of mind knowing that it was a safe and clean place for Megan while she was healing.

Brent's Place: How has life been post Brent's Place?

Melissa: Life has been an adjustment. Making sure that the house is clean, frantically scrubbing and wiping down everything and keeping sick siblings away from Megan. A lot of time it is worrisome, but it is nice to be away from the hospital and back to some normalcy. Megan is doing so well so that is easing my mind.

Brent's Place: What's your favorite memory of Brent's Place?

Melissa: The Easter Party was so much fun. It made Megan so happy to do something normal with other kids. Jackson was there and it was great being with him also.

Brent's Place: Are you still involved with Brent's Place?

Melissa: Not at this time, but would like to be once things get settled down I would love to come to the Kids Cure for Cancer event in July.

Our Volunteers . . .

Volunteer Profile: Margi Clute

When Margi isn't volunteering at Brent's Place, she can be found enjoying her retirement from sales and marketing in the home building industry. She enjoys working out at Greenwood Athletic & Tennis Club, being a member of the Historic Preservation Board for Downtown Littleton, spending time with friends and family, reading and traveling with her husband, Kent.

How did you find Brent's Place? In January 2007, I started volunteering at Brent's Place when the former Executive Director asked me if I would like to be involved. I have continued to volunteer because everyone on staff is helpful, fun and young! Volunteering at Brent's Place is a very meaningful experience for me.

How do you volunteer at Brent's Place? I come to Brent's Place every Tuesday from 10 to 5 to volunteer at the front desk, where I get to know the kids and their families. I am involved in the Roadless Ride and Kids' Cure events, helping the Development Manager find restaurants & food venues that will donate the food and beverage for these events. As a

member of the Resource Development Committee (RDC), my area of interest is Board activism and stewardship. I work with the RDC to encourage the Board of Directors to be more active and involved in Brent's Place activities.

What has been your favorite volunteer experience? There have been a lot of experiences that I have loved! I really enjoy working on Kid's Cure, Dos Casas and Roadless Ride. I also like being involved in RDC and working with the other members of the committee. Every Tuesday I look forward to spending time at Brent's Place with the staff and families. When I volunteer, I like to be active and feel like I am doing something meaningful. At Brent's Place, I can do that.

What would you tell others interested in volunteering? It is a very meaningful experience. I feel like I am making a difference and that it is a meaningful use of my time and skills. If you have talents & skills that you have developed over your career, why not use them to benefit a great organization?

Volunteers were at the center of our success in 2010!

We would like to thank all of you who donated your time and talent to make Brent's Place a safe and supportive home for our families. Our Board of Directors, event planning committees, program volunteers and event day volunteers all make Brent's Place a special community of compassionate support. We look forward to 2011 and an opportunity to work with you in an even greater capacity to improve the service we provide our families.

Ways to get involved with Brent's Place!

- Sponsor the holidays for one of our families by donating gift cards that can be used to purchase gifts for the whole family.

- Host a supply drive at your business, church, or service organization. Brent's Place will give you a donation kit, including a donation box, fliers, and a wish list of the items our families need.
- Join a special events fundraising committee to raise awareness and funds for Brent's Place.
- Cook dinner for our families on Monday, Wednesday or Thursday evenings.
- Cook breakfast for our families on Friday mornings.
- Host an arts & crafts activity on Wednesday afternoons.
- "Like" Brent's Place on Facebook ([CLICK HERE](#)) and follow us on Twitter ([CLICK HERE](#)).

If you are interested in volunteering, please contact Joe at Jbrucker@brentsplace.org or 720-343-2806.

Our Events . . .

2010 was another successful year for Brent's Place's fundraising events.

We would like to thank all of our participants, sponsors and volunteers that contribute endlessly to our success!

Below is a snapshot of the late Summer and Fall Brent's Place 2010 fundraising events.

These events would not have been possible without the generous support of the Brent's Place community.

Kid's Cure

It was an incredibly active summer for Brent's Place! We kept our summer event season rolling with Kid's Cure for Cancer, our signature event, on July 25th with over 1,180 Brent's Place supporters participating in a 5K run, 5K walk or a 1K Family Fun Run. Following the event, participants enjoyed a pancake breakfast and community fair with live music. It was a day of family fun that celebrated the lives of all of our kids with cancer! It was wonderful to see long time supporters, past families and community members come together for a wonderful day in Washington Park. Thanks to our generous sponsors, participants and volunteers, we raised over \$119,000! Mark your calendars now—the 2011 Kid's Cure will take place on July 24th and you will not want to miss out on all the fun!

Brent's Place Invitational Golf Tournament

On August 16th, 88 golfers made a difference in the lives of children with cancer while enjoying a round of golf at Pinehurst Country Club, one of the premier golf courses in Colorado. Despite a temporary weather delay, participants were able to complete the round and post some very impressive scores on both sides of par! The day ended with cocktails and some delicious BBQ, compliments of Colorado Catering. We would like to thank the many sponsors, including presenting sponsor Performance Building Services, our in-kind donors, our participants and the staff at Pinehurst for helping us raise

over \$53,000 for Brent's Place and our families. Save the date for the 2011 Brent's Place Invitational Golf Tournament on August 15th, as our golf tournament will be bigger and better than ever.

Roadless Ride

More than 450 participants spun their wheels at the 10th Annual Roadless Ride at Greenwood Athletic Club (GATC), hitting a record high of \$75,000 raised in support of Brent's Place and our families. Riders participated in 11 separate hour-long spinning sessions throughout the day, led by instructors from the GATC. For the first time, 11 riders challenged themselves to a "Roadless Century," which

requires riders to cycle all 11 hours and 100 miles consecutively on a stationary bike. Participants in the Roadless Century raised \$19,000 of the \$75,000 raised. In addition, **Willie Duncan**, a longtime GATC employee, worked tirelessly in the weeks leading up to the event to raise \$8,000 for our kids with cancer and their families. GATC was honored with the "Best of the Best" Community-Base program award for the event and their involvement with Brent's Place. The Roadless Ride would not be possible without the hard-work and dedication of the GATC Staff, Brent's Place volunteers, and our incredible corporate sponsors. Special thanks to our century riders, **Paula Neubert**, General Manager and **Barbara Lubbers**, Assistant General Manager of GATC, United Healthcare and Newfield Exploration. The 2011 Roadless Ride will take place at Greenwood Athletic & Tennis Club on October 14, 2011.

How well do you know Brent's Place? Well, get to know us better! We're very social!

Our Events . . .

In addition to the Brent's Place fundraising events listed previously, we were also very lucky to be the beneficiary of several events planned by generous individuals and organizations around Denver. These events include:

Deer Creek Challenge

On August 29th, 15 Brent's Place riders took the challenge for the toughest century ride in the United States. Brent's Place was fortunate to be the beneficiary of the 2010 inaugural ride. Brent's Place joined the Downing Group in challenging cyclists to take on the demanding course and raise or donate at least one penny per foot of elevation gained. The first year event was a tremendous success and we thank all those involved for making Brent's Place a part of the festivities. We look forward to helping the event grow in 2011. Stay tuned for more information coming soon about the 2011 Deer Creek Challenge!

Urban Navigator

On September 11th, 42 teams worked to navigate a group adventure through downtown Denver using their brains, brawn and funny bones! This is the 4th year of this successful event, which raised more than \$18,000 in support of Brent's Place. Special thanks to Stacia and Chris Buck, the Adventures for Charity Board and all of the event day volunteers for their dedication in putting together a fantastic event to benefit Brent's Place. Rest up now as you will want to be ready to challenge the champion all-star staff team from Brent's Place for the next adventure in 2011!

Special Thanks

Brent's Place would also like to thank Pedro Gonzales, General Manager, Marcia Boush, Event Manager and Candyce Hedlund, Special Events & Public Relations Director at Texas de Brazil and Rene Harding with Cocktails for a Cause for hosting events on October 15th to raise money and gather supplies for our kids with cancer and their families. Thank you to all who participated in these events!

2011 Upcoming Events

Mark your calendar now!
You will not want to miss any of the Brent's Place 2011 upcoming events.

Dos Casas—April 20, 2011 at Lola

Pur-a-thon—June 10, 2011 at Pura Vida

Kid's Cure—July 24, 2011 at Washington Park

Step Up for Cancer—August 2011 at Dick's Sporting Goods Park

Brent's Place Invitational—August 15, 2011 at Pinehurst

Deer Creek Challenge—August 2011

Urban Navigator—September 2011

Roadless Ride—October 14, 2011 at GATC

Join the fun and get involved with Brent's Place events! We invite you to join us as a committee member, sponsor, participant or donor. If you would like to get involved please contact Julie Gart at jgart@brentsplace.org or 720.343.2803. Thank you!

Do you "like" Brent's Place yet?

We're on Facebook! "Like" us to see photos from past events, invite people to upcoming fundraisers and spread the word about how your friends can make a difference in the lives of kids with cancer and their families.

Generous Support . . .

Corporate Support Sam's Club Aurora

Sam's Club's VAP program, "Volunteerism Always Pays," allows Sam's Club associates to support four nonprofit organizations in their community annually through volunteerism and in-kind donations. Associates at Sam's Club vote on a list of nonprofit organizations they want to support. Sam's Club Aurora, located on Abilene St., has chosen to support Brent's Place for the past two years.

Associates from Sam's Club Aurora have volunteered over 250 hours in 2010. Every month, associates cook a hot meal for our families with products donated by their Sam's Club store. Sam's Club Aurora also sponsors holiday meals for our families such as Thanksgiving dinner and Christmas dinner which are cooked by volunteer associates. In addition, Brent's

Savings Made Simple

Place benefits from in-kind donations provided by Sam's Club for our annual fundraisers. This past July, Sam's Club provided all of the food for our pancake breakfast at Brent's Place's annual Kid's Cure for Cancer 5K Run.

Sam's Club Aurora has also provided financial support to Brent's Place for the last two years. The VAP program provides grants to nonprofit organizations that provide volunteer opportunities for associates in proportion to the number of volunteer hours provided. In 2009, Brent's Place received a \$3,500 donation for providing volunteer hours for Sam's Club associates. Associates from Sam's Club Aurora are pleased to volunteer for such a great cause and they enjoy being part of the Brent's Place family.

Brent's Place Wish List

A full house at both locations make donations to our supply closet and resource room all the more welcome. We appreciate your help with the following:

APARTMENTS

- Baking pans—*cookie sheets, cake pans, muffin pans & pizza pans*
- Pots and pans—*2 qt. sauce pans & medium & large frying pans*
- Dishes—*Plates, bowls & cups; white*
- Glassware—*8 oz. glasses*
- Bath towels—*Large bath towels & hand towels; white*
- Kitchen towels & dish rags—*Any color*
- Bath mats—*Any color*
- Mattress protectors—*Queen and twin*
- Quilts or microfiber down-alternative comforter—*Queen and twin*

SUPPLY CLOSET

- HE unscented laundry detergent—*LL Free, TIDE Free or similar*
- Regular unscented laundry detergent
- Dryer Sheets—*unscented*
- Garbage Bags—*13 and 30 gallon*
- Paper Goods—*Toilet tissue & paper towels*
- Disinfectant spray cleaner
- Dishwasher detergent
